FOR IMMEDIATE RELEASE

DISTRICT POSTER ART WINNER HONORED AT METROPOLITAN WATER DISTRICT'S WATER EDUCATION CELEBRATION AND LUNCHEON

The Metropolitan Water District hosted a Water Education Celebration and Luncheon on Tuesday, December 14, for students whose posters will be featured in their 2005 "Water Is Life" calendar. One of the District's winning posters was selected for inclusion. The winning entry selected to appear in the 2005 Metropolitan Water District Water Education Calendar was created by Nolan Hoff from Vejar Elementary.

Nolan's poster was selected to appear in the 2005 Water Education Calendar from among 216 posters submitted to Metropolitan Water District by 38 member agencies and sub-agencies. These calendars, which are distributed throughout the state, highlight the students' artwork from across the Southern California area to foster greater water awareness among children and adults. The Walnut Valley Water District congratulates the students on their winning artwork and their efforts in helping to spread the water conservation message.
